Review of Making Informed Fertiliser Decisions on the Murray Plains

As a follow up to the Nitrogen Decision making workshop in August 2023, the Murray Plains Farmers Group is hosting a workshop at the Cambrai Sportsground to review the fertiliser decisions growers made and to plan Nitrogen management group activities for 2024.

The workshop will be facilitated by Tony Craddock from Pinion Advisory and is part of the Grains Research and Development Corporation's RiskWi\$e program.

AGENDA

TIME	TITLE	PRESENTER
4.00pm	Welcome	
4.15pm	Topics for discussion <ul style="list-style-type: none">• What actions were taken in relation to nitrogen decisions following the August workshop and how did those decisions turn out?• Review yield and protein data from focus paddocks, and calculate N Balances• Review and interpret 0-10cm soil test results from 2023 focus paddocks• Examine Yield Prophet™ results – how close were predictions?• Identify focus paddocks for soil testing in 2024	Tony Craddock Pinion Advisory
6.00pm	Close	

Please SMS yield and protein results from your project paddocks in 2023 together with the N applications made to the paddock to Tony Craddock on 0417809317 or supply by email to tcraddock@pinionadvisory.com by the 9th of February 2024.
